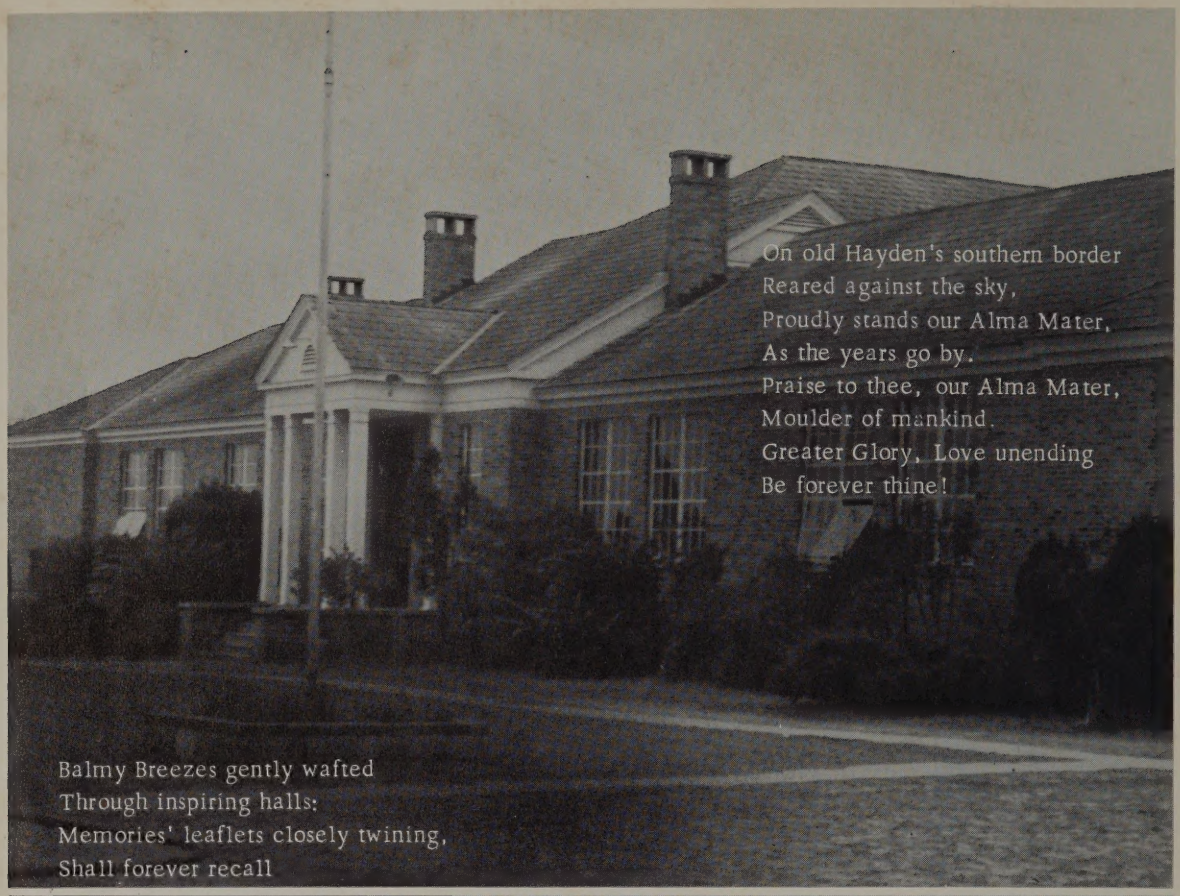
The Senior Class of 1961

presents



On old Hayden's southern border
Reared against the sky,
Proudly stands our Alma Mater,
As the years go by.
Praise to thee, our Alma Mater,
Moulder of mankind.
Greater Glory, Love unending
Be forever thine!

Balmy Breezes gently wafted
Through inspiring halls:
Memories' leaflets closely twining,
Shall forever recall

Yesterdays that waken in our hearts
a Tender Glow.
Making greater still the love
That we have learned to know.

Ever onward! Be our Watchword
Conquer in each test,
We owe a life of loyal service to
Old H.H.S.
Praise to thee, our Alma Mater,
Moulder of mankind,
Greater Glory, love unending
Be forever thine.

Dedication

MRS. RUBY BLALOCK

She is a friend whose heart is good;
Who walked with us and understood;
Hers is a smile we love to see;
Hers is a hand that asks no fee;
For any thoughtfulness done.

Principal's Message

Dear Seniors,

For these six years that we have worked together and I have watched you grow and develope; it has given me much satisfaction.

In this class of '61 we have outstanding talent that has given credit to our school. You have shown a fine spirit of co-operation, in working to make our school better.

As you go out into the field of life may you always have courage, in working to make our school better.

I am truly grateful for having the opportunity of being your principal and having a part in guiding you this far in life.

Senior Class Poem, 1961

In the year nineteen forty-nine,
A class began that made quite a line!
Through twelve long years to this day,
We've survived - come what may.

My classmates I have learned to love so dear,
That I wrote of them a poem which I have here.
Now you will hear as I have planned,
Of my classmates whom I think are so grand.

Gail Walker by all was seen,
When she became our Valentine Queen.
Wallace Standridge has been a great friend,
And a good president right up till the end.

Nancy Towry is pretty and sweet,
For a true friend, she can't be beat!
Douglas Wall can be quite a ladies' man,
Making good in life is his main plan.

Kay Johnson has just joined our class this year,
She's all excited as graduation draws near.
Aaron Turner is quite handsome and neat,
As a good worker he can't be beat!

Rose Hamrick is the peach of the class,
For fun and frolick you can't beat this lass.
Larry Simmons to the girls can be quite a pest,
But when problems arise, he does his best.

Annette Writesman has a good personality,
And you can't beat her for pep and vitality.
Jimmy Best is quite a good athlete,
In a game of football, he can't be beat!

Betty Culwell has a lot of knowledge,
I really think she should go to college.
Randy Lewis for graduation just can't wait,
At the mention of having fun he doesn't hesitate.

Reba Thomas has a smile that can win,
And she'll "stick" with you through thick and thin.
Jack Standridge is the only boy who's taken a wife,
I'm sure he and Pat'll be happy all thro' life.

Judy Tavel always does what she sets out to do,
And she has that drive and energy, too!
Tommy Frye is such a quiet, dependable guy,
But he isn't at all shy.

Barbara Faile is full of laughter and fun,
And Dillon thinks she's the only one.
Cranston Cox is known as the wittiest boy,
One day he'll be one girl's pride and joy.

Rebecca Sawyer is always the same,
Rumor has it she's going to change her name.
Don Neely is always full of fun and a witty remark,
When in his Ford, he's happy as a lark.

Joan Thomas is really quite funny,
Her ambition is to marry a man with money.
Roy Swann is envied for his natural curls,
It's a shame he cares nothing for girls.

Sara Hayes really loves to skate,
And for some boy is a really good date.
Jimmy Reid is short and small,
But that doesn't matter to him at all!

Connie Walker is best all round,
And a friendlier person can't be found!
Eugene Barnett is very nice and polite,
As a good student, he's the teachers' delight!

Barbara Graves is so nice and quiet,
And everyone thinks she's alright.
Leroy Culwell, a good mechanic will make,
As a friend and classmate, he's really great!

Ann Chasteen is not a bit shy,
I hope she has her goals set high.
Linda Cato, why that happens to be me,
I'm no Longfellow as you can see.

Here's to the Senior Class that follows through,
May all your dreams come true for you.
Here's to the Teachers who've been our guide,
We're glad you've been on our side.

I'm sure we won't forget,
The fun we've had without a fret.
The schoolmates, to whom we've grown so near,
We hate to leave them this year.

Last Will and Testament

Seniors 1961

Upon behalf of my client, the Class of 1961 of Hayden High School, the city of Hayden and the state of Alabama, you have been called together to hear our last will and testament, and to receive from their dying hands the few gifts they have to bestow upon you in their last moments. Realizing that their time is almost at hand and that they will no longer be with you, they have collectively and individually thought it best to give these virtues to their friends, whom are most in need of them. We have tried to be just and impartial and to distribute wisely unto those who will make the best use of such gifts as we have the power to bestow on you. Owing to the condition of the brain and the continuous disturbance in the grave matter, it is possible that there might be a mistake in our inventory; but such things as we think we have we would like to pass on to you praying that you will accept them as a sacred trust from one who has gone on before:

Listen then as I read the document, as duly drawn up and sworn to:

We the class of 1961 as a whole would like to leave to the class of 1962 our front seats in the auditorium.

The following may seem but trifling bequeaths, but we hope they will be accepted, not as worthless things lavishly thrown away because we can no longer keep them but as valuable assets to those who may receive them and a continual reminder of the generosity of heart displayed in our free and full bestowal:

Nancy Towry proudly wills all her men, except one, to Sandra Jacobs.

To Ronald Hallmark goes Don Neely's ability to cut classes and not get caught.

Rose Hamrick leaves her beautiful blond hair to Eva Love.

Wallace Standridge leaves his ability to get along with the cheerleaders to Buddy Russell.

To Betty Marsh goes Linda Cato's well-developed brain.

To Billy Hayes goes Eugene Barnett's ability in bookkeeping.

Gail Walker wills her saucy temper to Joyce Sanders.

Douglas Walls leaves his ability to talk to girls to Ray Thomas.

Reba Jo. Thomas abandons her ever-increasing appetite to Joyce Wall.

Jimmy Best passes his ability to play football to Micky Thomas.

To Susie Armstrong goes Annette Writeman's loud mouth.

Jimmy Reid leaves his winning personality to Tommy Sawyers.

Kay Johnson bequeaths her business like appearance to Lavergie Jones.

Aaron Turner leaves his ability to get away with murder in class to Gene Sawyer.

Rebecca Sawyer leaves her ability to go steady to Carolyn Thomas.

To Jackie Lang goes Connie Walker's winning personality.

To Charles Motte goes Larry Simmons well-developed brain.

To Mildred Boren goes Joan Thomas's QUIET ways.

Cranston Cox wills his temper to Sammy Reid and Charles McAnnally.

Sara Ann Hays' flirty ways goes to Kathryn Turner.

Jack Standridge leaves all his girls "except one" to Gary Graves and Johnny Campbell and Charles Doty.

Barbara Ruth Faile wills her ability to quarrel with Mr. Reid to Joyce Standridge.

To Roger McAnnally goes the quiet ways of Leroy Culwell.

Judy Tavel leaves her ability to be good citizenship girl to Gail Roper.

Randy Lewis leaves his ability at sports to Alfred Tumblin.

Ann Chasteen leaves her ability to skip school to Mary Helen Lewis.

Roy Swann leaves his ability to get along with the faculty to Marlow Warden.

To Paula Johnson goes Linda Cato's typing accuracy and speed.

Tommy Frye leaves his height to Johnny Jenkins.

Betty Culwell leaves her back seat in Economics to Nancy Buttram.

We, Joan and Betty, leave our ability to write class wills to the ones best qualified to fill that position.

LAST comes the one thing hard for us to part with. To our Successors we must leave our places in the hearts and thoughts of our Principal and Teachers. They will love them worthly as we feel they have loved us, they will show them the tender kindness and attentions, when they succeed and the same sorrow when they fail as they have shown to each of us.

To Hayden High the entire class leaves its love and appreciation for what it means to us. This building will stand on Hayden's Southern Border as a monument in our Memory. In the future when we gaze upon it with pride it will hold deep meaning for us. Then we will be glad we spent our high school days here.

Senior Prophecy

Here we are at the crossroads. But today I'm going to walk down the path of the future. Truly the ropes of the past are ringing the bells of the future and we can hear them ringing loudly.

First, I see myself, Nancy, happily married and the mother of two children. Gerald just came in from work and tonight we are going to meet some friends of ours. We hired a baby sitter and then we were on our way. We arrived at the dining place where we are to meet our friends. We were seated and the owner of the new restaurant came over to talk to us. Much to my amazement, it was none other than Annette Writesman. She had opened the place just recently and the name of it is "Dine with Annette." She is married and lives very close to town.

Then our friends started arriving. First came Rebecca Sawyer, now married to Edgar Staton. They live in New York and have a television program of their own called "A Night With Rebecca." I always did think Rebecca would go places. Then came a big General of the U. S. Air Force, Roy Swann, and can you imagine, he's bald-headed! Then I guess you've all read about the man who took the monkey's place and was the first man on the moon, Eugene Barnett, who is an engineer at Cape Canaveral, Florida. Next came Tommy Frye, who lives in California and is in the U. S. Navy. He is married and is making the Navy his career.

Wallace Standridge finished at Alburn University and is coaching football at Hayden. They have just finished their football season and Hayden, for the first time in years went undefeated. Judy Tavel is still cheerleader at Hayden, she's planning to make a career out of it. Linda Cato is head of the Peanut Factory at Cleveland. They tell me she's nuts about the job. At the Alabama State Fair this year, Sara Ann Hays got Miss Sour Cream. She is in the process of moving to Chicago where she and her husband will live.

Aaron Turner is the new and proud owner of Rickwood Caverns. Don Neely is governor of Alabama and has just recently become a candidate for President of the United States. Betty Culwell is head nurse at the Cripple Children Clinic at Birmingham. Joan Thomas is making a career out of marriage and is living at Little Rock, Arkansas. Reba Jo Thomas and Gail Walker are both working for Trans-World Airlines as stewards. Connie Walker is a telephone operator and is happily married. Douglas Wall got his degree at the University of Alabama and is teaching bookkeeping at Hayden. Cranston Cox is the new zoo keeper for the Birmingham Zoo at Lane Park.

Anna Mae Chasteen is a private secretary to a well-known business man. Larry Simmons is living in Texas and owns a 1500 acre ranch. Jack Standridge is a private detective and a happily married man. Rose Hamrick is still an old maid, but not for long . . . (Bill has just finished school at the University!!). Leroy Culwell is owner of two new service stations recently built in Hayden. Barbara Faile is the owner of a dress shop in Birmingham.

Barbara Graves is happily married and the mother of two children. Jimmy Best is teaching Algebra at Hayden. Randy Pat Lewis is the owner of a brand new "Hills" grocery store in Hayden. He gives green stamps! Jimmy Reid has become the heavyweight boxing champion of the world. Kay Johnson is the new Miss America. I knew that that West Virginia Hillbilly would go places!

All of us ate supper and then, as we parted, again we sang our Senior Class Song "May You Always." I know that each of our lives will be filled with happiness and laughter.

Class History

A happy and joyous class we were on July 29, 1958, when we finally became sophomores. We entered this year with only thirty-four on roll, and Mrs. Kitchens as our homeroom teacher. We started by electing as officers: President - Wallace Standridge; Vice-President - Judy Tavel; Secretary - Imogene Swann; Song Leaders - Rebecca Sawyer and Barbara Ruth Faile. During this year we had several skating parties. We owe a lot to Mrs. Kitchens.

On July 27, 1959, we began our Junior year with only thirty-two on roll. Miss Hartley and Mr. Atwood as our homeroom teachers. We started by electing as officers: President - Wallace Standridge; Vice-President - Betty Culwell; Secretary - Barbara Faile; Treasurer - Don Neely; Songleaders - Barbara Faile and Annette Writesman. The highlights of the year was our Jr.-Sr. Banquet, we all worked hard planning and raising money for it. Our class won both Homecoming and Valentine Queen. We owe a lot to Miss Hartley and Mr. Atwood.

On July 25, 1960, we reached that long-awaited title "SENIORS." We began this year with only twenty-nine on roll, and Mrs. Goodwin as our homeroom teacher. We began by electing as officers: President - Wallace Standridge; Vice-President - Linda Cato; Secretary - Judy Tavel; Treasurer - Don Neely; Song Leaders - Nancy Towry, and Barbara Ruth Faile.

Some of the outstanding accomplishments of this year were the publication of our yearbook, "WILDCAT OF '61," our school paper, "THE CAT," and our gift to the school, the Concession Stand, also our Senior play, "O PROMISE ME."

We would like to thank Mr. Faulkner for our trip to Allgood, the Jr. Class for a most joyous Jr.-Sr. Banquet, and Mrs. Goodwin for a wonderful Christmas Party at her home. Also we wish to thank our Room Mothers for the wonderful parties they have given us.

None of us will ever forget the many joyous days that we have had on the old school campus.

To all who made this year so successful and happy to the Senior Class of 1961, we wish to thank them and to say that they will always be remembered by us in our hearts.

As we leave our dear Alma Mater, we have many memories that will live in our hearts forever. We wish to leave our best wishes, our highest respects and our love to dear Hayden High School.

May you always walk in sunshine,
slumber warm when night winds blow.
May your life be filled with laughter,
for a smile becomes you so.

May good fortune find your doorway,
may the bluebirds sing your song.
May no trouble travel your way,
may no worry stay too long.

May all your heartaches be forgotten,
may no tears be spilled.
May all acquaintance be remembered,
may your cup of kindness fill.

And may you always be a dreamer,
may your wildest dreams come true.
May you find someone to love,
as much as we love you.
